speak a foreign
language.

(You will laugh
your head off!)

Why have we written this joke book? Because we want you to laugh! Laughter re-focuses you, and also, surprisingly, reduces heart disease! Everyone in the world can laugh, even animals, like cats and dogs! More people can laugh with others, as laughter is contagious. Laughter is actually a sound that doesn't have a language. A person laughs about 13 times a day. Laughter, also makes you remember things better. Humans can actually laugh before they speak. ~~Laughter~~ Laughter is the best medicine.
