January 2015

Dear parent

We are now working alongside Coolmilk to offer a subsidised daily semi skimmed milk option for our pupils aged 5 and above. The cartons are 189ml at a subsidised price of 22p. If you would like to purchase a small carton of milk for your child to drink at break time at school, please visit www.coolmilk.com to complete your registration, ordering and payment options. Four year olds will continue to receive their daily carton of milk free so there is no need to complete this until your child turns 5.

We will then be delivered the milk, it will be refrigerated and the pupils will be given the milk at break time.

If your child is eligible for free school meals, they will be provided with milk at break time free. If you think you may be eligible for Free School Meals and would like to find out more, please pop to see myself or Mrs Barnard in the office. I have copied a Free School Meals application form to the back of this letter should you wish to apply for Free School Meals funding. If you return the form, Mrs Barnard or myself will be in touch to discuss the next steps.

Yours sincerely

Mrs Watson
