Dear Parents

We are aware that some parents would like their upper key stage 2 children to walk to and from School unaccompanied by an adult.

We must have a permission slip for all children who walk to school alone. This is vital so that we can make arrangements to call parents if a child does not arrive at School as expected. If your child does normally walk to school alone please call the office on 01628 662913 before 9am if they are unable to attend that day.

If you make the decision to allow your child to walk to school alone, please ensure they are responsible, have good road sense and are made aware of appropriate safety precautions. Please note that the school gate isn't open until 8.45am, please do not send your child before this time.

We strongly recommend that children in other years walk to and from school accompanied by an adult.

Thank you for your assistance,

Mrs L Barnard

School Secretary
