Dear Parents

We are offering a range of clubs in the Summer term. If your child would like to attend, please complete the slip below giving their 1st, 2nd and 3rd club choices. Names will be drawn from a hat and the children will be given their highest available choice until all of the spaces are filled. If your child selects three choices, they are guaranteed to get at least one club.

All slips must be returned by 9.30am Tuesday 24th March, it is very unlikely we will be able to offer a club to anyone who returns their slip after this. Club allocations will be sent home on Thursday 26th March.

Whilst we understand the difficulties that occur when parents have more than one child at school, unfortunately we cannot guarantee siblings a club on the same day.

Please note that this term Miss Whorton's Science Club is on an invitation basis.

Film club will be running for children in Year 5 and 6. **If your child would like to attend Film Club please include this as one of their choices and complete the additional permission section.**

Short tennis, Golf and Arsenal Soccer School will be running after the holiday and letters will be going home shortly.

Clubs will start the week commencing Monday 20th April. Clubs finish at 4.15 pm, apart from Film Club, which finishes at 5.00pm. Please make arrangements to collect your child promptly.

If your child is unable to attend in a particular week, **please let the school know in advance.** A register is called at the start of every club and children not accounted for are treated as missing. A member of staff then needs to track down the child by calling the parents to ensure the child is safe. This is very time consuming for staff and embarrassing for parents.

If your child wishes to withdraw from a club please send a letter to the school office. Children who consistently do not attend club may lose their place.

Thank you for your support in this area.
