Mrs. J. Watson

Mrs Watson's Welcome

Our recent Science Week Spectacular began with a visit from a travelling planetarium where children travelled through the galaxy on an alien adventure, exploring planets, stars and meteors along the way. The children also created their own messages to send into space in case there are other life forms out there! This really did cement scientific learning and it inspired interest in the subject.

I wish you all a Happy Easter and a restful break.

Other News

- OFSTED** You should have all received a copy of our recent OFSTED report which we circulated on 17th March 2015. If you haven't please either visit our website, where you can download a copy, or call Mrs Barnard who will ensure you receive a copy!
- Comic Relief** Wow, we raised £443 for Sport Relief from dress up donations and cake sales.
- Quiz Night** Oh yes, another great evening with over £500 raised! Well done to Lisa and the team for organising this event and for all your support.
- Family Information** You may recall that last month I signposted you to the Bucks Family service. I now have the Slough equivalent for those of you who would find this helpful. You can find details at www.servicesguide.slough.gov.uk.
- Sports Update** Lent Rise hosted its first extracurricular competition with over 100 children in Years 5 and 6 from five local schools participating in a Cross Country Competition. Thirty children from across Years 1 and 2 entered our first dance competition and enjoyed learning a variety of dances. Our A and B girls' netball teams played away to Stoke Poges this half term and played exceptionally well showing incredible progress. Well done girls! The school has been awarded the prestigious AfPE award with distinction which recognises outstanding practice and innovation in physical education and sport within a school and demonstrates the hard work Lent Rise pupils put in to PE, Games and their extracurricular sports clubs.
- Marie Curie Daffodils** Many thanks to all those who have donated to this charity which supports so many.
- Flasks** This may seem a little unnecessary as the weather gets warmer but I do need to clarify that flasks are not permitted in the lunch hall. It is acceptable for your child to bring a container which holds, for example, pasta but not hot liquids.
- PE Kits Reminder** It is essential that your child brings appropriate PE kit to school to ensure their participation in such an important activity. Please make sure they bring their kits in as the school does not hold spare kit.
- Milk Reminder** If you would like to purchase milk for your child to drink at break time, please go to coolmilk.co.uk.
